Sample Exam Questions

You will be given a test G Suite for Education account to complete the Google Certified Educator exams. Your test account will represent a teacher at a fictitious school. Log in to your temporary test account to complete the given tasks.

Multiple Choice

Sample Question 1.
Objective: Use technology to move beyond textbook-based instruction
Students in your history class are having difficulty understanding the significance of World War II.
What activities could help students get more engaged? (Choose 2 answers)
- Students create YouTube videos describing key battles in World War II
- Teacher creates a final exam in Forms to give students a grade on what they know
- Students use the Explore Tool to search for more information in Docs
- Students answer questions at the end of the chapter on World War II

Drag and Drop

Sample Question 2.
Objective: Communicate better through email and chat
Drag and drop to match the feature of Gmail with a benefit of using the tool.

<table>
<thead>
<tr>
<th>Feature</th>
<th>Benefit</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Canned Responses</td>
<td>Sample Benefit</td>
</tr>
<tr>
<td>2. Anytime, anywhere access</td>
<td>Sample Benefit</td>
</tr>
<tr>
<td>3. Labels</td>
<td>Sample Benefit</td>
</tr>
</tbody>
</table>

Performance-Based Scenarios

The test taker will need to open a new tab in their browser window to complete the scenario questions. The resources for these questions have already been created and are in the account of the test user.

Sample Question 3.
Objective: Access, view, and understand results in spreadsheets
Your students have answered a few questions about an upcoming Presidential election and submitted their results in a Google Form. You want to review their opinions to prepare for an upcoming class.
- Access the form “Election Opinions” and view the results in a spreadsheet.
- Sort the sheet based on student first name in ascending alphabetical order (a-z).
- Create a pie chart that represents who they selected as their favorite candidate (Column F).

Sample Question 4.
Objective: Enhance and share videos
You want to be sure that students are able to view your “Award Winners” broadcast at a later date. You decide to share the video again via your YouTube channel to maximize views. Complete the following tasks.
- Find the “Award Winners” video on your YouTube channel.
- Add a poll with the following question “What should we tackle next?” (provide your own answers)
- Share the video with your students.
